

Transportable goal 5x2m - Fulham

Artikelcode: S-1019

Transportable goal 5x2m - Fulham

Artikelcode: S-1019

General Information

Ara of application	<p>The Fulham is a very sustainable, transportable goal of 5x2m, which is suitable for placement on practice fields. The Fulham is provided with shores and an oval 80x90mm extrusion profile to lengthen the sustainability of the goal. The goal has a hookless net fixation through a synthetic net strip. The synthetic net strip is very safe because it contains no protruding parts. Next to safety, you will also no longer be bothered by vulnerable brackets and optic it looks very nice.</p> <p>The Fulham is very suitable for intensive practice use.</p> <p>Warranty on the entire construction excluding the goal net and the synthetic net strips.</p>
